

# QuickCast starter kit

Presentations made simple!

---

- **Ease of use - Cable free presenting via HDMI**
- **Standalone system - No software or applications to download**
- **Flexible presenting - Options for duplicate and extended desktop modes**
- **Share presentations from any platform or device – Laptop, tablet or smartphone**

Make presentations effortless. With QuickCast, setting up meetings is quicker and more effective than ever before. Content can be instantly transferred from any device using HDMI connection. With no wires, no software and no stress, QuickCast is the ideal solution for hassle-free presentations at the click of a button.

HDMI connectivity allows for total flexibility with the ability to add up to 245 participants per receiver. It also means 1080p video and stereo audio is supported.

\*QuickCast is optimised for presentations, frame rate during video playback may vary.

## Specifications

---

### Общее
